

Resume (سيرة الذاتية)

Name of the Faculty Member (اسم عضو هيئة التدريس): Iqrar Ahmad

Department (القسم): Computer Science

Highest Qualification Achieved (أعلى مؤهلات):

Name of Degree (اسم الشهادة)	Major (تخصص)	University (جامعة التخرج)	Year Graduated (سنة التخرج)
Master of Computer Science and Applications	Computer Science	Aligarh Muslim University, India	2009

Research Area (منطقة البحوث): Cloud Computing

Research Papers in Journal (الأبحاث العلمية المنشورة):

- 1) **"A Cloud Computing Framework for Quality Based e-Education System"**
International Journal of Computer Applications: rpublication, issue 8, Vol. 2, 2018
ISSN: 2250 - 1797.
- 2) **"Cloud Computing: Is a Step Ahead?"** International Journal of Computer Applications (IJCA) Vol. 159 (5), 2017 ISSN: 0975 - 8887.
- 3) **"Open source tools: Empowered the e-learning pedagogy in distance education"**
International Journal of Computer Technology and Applications (IJCTA) Vol. 8 (2)
2017 ISSN: 2229-6093.
- 4) **"The combined Effect of synchronous and asynchronous E-learning on distance education"**, International Journal of Computer Science Issues (IJCSI) pg. 546-550
Issue 1, Vol.10 (2013) ISSN: 1694-0814.
- 5) **"Management Level Security in E-Commerce and Biometric Technology"**
International Journal of Emerging Trends in Engineering and Development (IJETED)
pg. 139-146 Issue 2, Vol.1 (2012) ISSN: 2249-6149.

- 6) **“Distance Education: From Asynchronous to synchronous E-Learning”** Center for promotion of multidisciplinary research Bi-Annual International Journal of Technology (CPMR-IJT), pg. 08-16 Issue 1, Vol.1 Dec 2011, ISSN:2249-1827.

Research Papers in Conference (المؤتمرات):

- 1) **“Comparative Study of Techniques and Attacks on NLFSR Based Stream Ciphers: A Review”**, " (2012), Bharati Vidyapeeth's Institute of Computer Applications and Management (BVICAM) New Dehli,
- 2) **“Open source tools and its Application in Quality Based Education System”**, conference on “Information Technology for Innovative Business Practices” (2017), School of management sciences, Varanasi.

Previous Experience (خبرة سابقة):

- 1) Worked as a Computer Instructor for Theory and Application in Aligarh Muslim University, Aligarh since October 2009 to September 2012 (Engaging classes of postgraduate, undergraduate and diploma).
- 2) Worked in the department of Industrial Chemistry, Aligarh Muslim University Aligarh from February 2010 to till the end of the session 2012on EDA basis.
